* The specific purpose of this donation is to extend Helen Putnam County Regional Park by purchase of the entire Scott Ranch land at D Street and Windsor Drive in Petaluma (goal = \$11 million by December 1, 2018). If that goal cannot be met, this donation shall be used to purchase most of the Scott Ranch (approximately 44 acres) for parkland, limiting Davidon to no more than 28 homes north of Windsor Drive and in the northwest corner of the property (goal = \$4.1 million by September 1, 2018). Funds not used for the purchase price may be used for improvements, operations, and maintenance of the parkland and for any and all efforts of KCPP to extend, expand, or benefit Putnam Park and its surrounding open space, while minimizing private development.
